Case No: 10-CV-8869 (LTS) (KNF)

Judge: Laura Taylor Swain

AS
RECEIVED

PARTIES' JOINT PROPOSED ORDER

This matter having come before the Court on Plaintiffs' Motion to Vacate the Current Scheduling Order and Stay All Proceedings and Discovery, filed April 16, 2012 [Doc. 49], and the Court having considered that Motion and Defendants Watson Pharmaceuticals, Inc., Watson Pharma, Inc., Watson Laboratories, Inc., a Nevada Corporation, and Watson Laboratories, Inc., a Delaware Corporation's Response [Doc. 50], and otherwise being fully advised,

It is HEREBY ORDERED:

- (1) The current scheduling order [Doc. 27] is hereby vacated;
- (2) This case is stayed pending the decision of the Judicial Panel on Multidistrict Litigation regarding the transfer of this case to MDL-2372; and
- (3) While this case is stayed, the parties may (either by agreement or by petitioning the court) conduct discovery of third parties by authorization, or subpoena if necessary, in order to obtain medical records, pharmacy records, death investigation records, educational records, employment records, tax records, social security records, and insurance records that specifically pertain

to the decedents. Conducting such discovery by agreement is the preferred course and consent to do so shall not be unreasonably withheld or made contingent upon any other agreement. Further, it is understood and agreed that Defendants may continue to conduct discovery of third parties to obtain any and all records related to the decedents for which authorizations have already been provided by Plaintiffs.

(4) If the parties wish to conduct discovery other than that provided for in paragraph 3 above, they may petition this Court and, upon a showing of good cause, such discovery will be permitted.

(5) Nothing in this order shall prohibit the parties during the pendency of the stay from requesting and/or obtaining documents and tangible things regarding

decedents that are publically available without authorization or subpoena.

6 This order resolves the motion appearing as Docket Entry No. 49. *(MS v. NLP)*

IT IS SO ORDERED THIS 24 DAY OF May, 2012.
